

# EXILIS ULTRA 360 FEMME TIGHTENING & REJUVENATION

Childbirth, aging and life can all take a toll on our bodies and especially our intimate areas– the vaginal canal and outer labial lips.

Our RF ultrasound device is the quickest, most powerful scar-free treatment available. It tightens your vagina and transforms your labia. It can help urinary incontinence and vaginal dryness and improve sexual relationships and make you feel like you have your old self back.

**Trust our medical expertise at Preston Dermatology:  
Discrete, professional, compassionate**
